

Compact Scales

**With Comparator
Lights**

HT-CL Series

AC adapter included!

How you can easily prevent over-packing and increase profits

Highly-visible, multi-colored LED comparator lights make packing small fruits, vegetables, etc., within their designated limits much faster and more accurate than a numeric display alone!

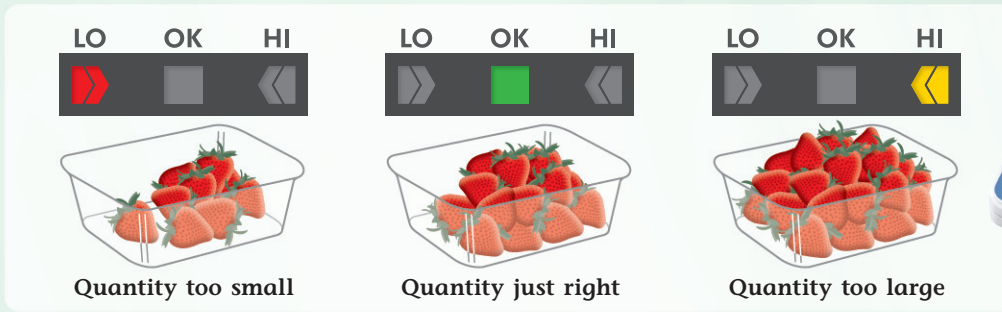

See reverse side...

www.weigh-more.com.au

Features

- ✓ Multi-colored LED lights for quick and unmistakable comparator judgments

- ✓ Negative values allowed for comparator limits for checking weights that are taken out from (instead of added to) a container*1
- ✓ Operation with either four AA batteries or the provided AC adapter
- ✓ Auto power OFF function to avoid wasting power
- ✓ Multiple weighing units: g, oz, ozt, lb-oz, dwt, ct, tael (HK general/HK jewelry/Taiwan), tola, and N*2
- ✓ Security slot in the rear of the scale to accommodate an anti-theft lock
- ✓ Key lock function to prevent operators from making changes to the scale settings
- ✓ Comes in a stackable carrying case to save space when stored
- ✓ Includes three color bars (red, green and orange) for sorting the scales depending on the purpose, owner, point of use, etc.

*1 The display needs to be set to zero before each measurement.
 *2 The comparator function cannot be used with lb-oz or tael, and lb-oz is not available with the HT-300CL.

Carrying case
 (The stainless steel pan is optional.)
